Testimonials

"Thanks to SEMICON Southeast Asia for partnering with MIDA. We are happy that this successful event brought us the opportunity to meet our current and future investors."

- **Ms. Noor Suzyanti Saad, Director, Electrical & Electronics Division of the Malaysian Investment Development Authority (MIDA)**

"We have very good quality visitors at SEMICON Southeast Asia this year, from all the major semiconductors whether they are in the front-end wafer fabs, test and assembly. We would like to thank SEMI Southeast Asia and look forward to 2025, the 30th anniversary in Singapore!"

- **Mr. Chew Ne Weng, Managing Director and Executive Director of QES Group**

"I am super excited to see the enthusiasm on the floor, with the industry and government alike welcoming the investments. I look forward to meet suppliers and customers. Thank you SEMI Southeast Asia for organizing this amazing event!"

- **Ms. Suya Kim, Head of Communications for Korea and Southeast Asia of LAM Research**

"SEMICON Southeast Asia 2024 serves a critical role in providing a platform to bring together leaders, innovators and collaborators together in creating a sustainable semiconductor eco-system in the region. The networking and meeting of minds enable meaningful connections, foster collaboration, and showcase cutting-edge technologies that will propel the industry's transformation and growth in the region. We express our sincere gratitude to SEMI for organizing this annual event. Together, we look forward to many more successful years ahead!"

- **Mr. Nelson Wong, Senior VP, Global Sales & Supply Chain of Kulicke & Soffa**
