POST SHOW REPORT

STRONGER
TOGETHER

KEY EVENT FIGURES

VISITORS

>26,000 Global Attendees

from **>50** Countries,

including **7000+** Senior Management & Above

& **10** Global Delegations

THOUGHT LEADERSHIP

>250 Speakers

including **6** CEOs

at the CEO Summit, delivered more than

160 Hours of Technical & Business Programs

MEDIA

>50 Media Presence

with over **488** Earned Exposure

amounting to **\$21M** in Total Media Value

CLIMATE & SUSTAINABILITY

>190 Attendees

Participated in

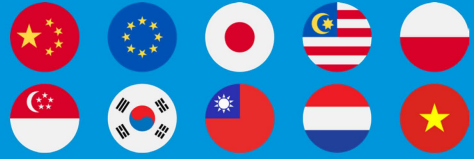

6 Global Climate Summit & Sustainability Forums,

including **2** Climate Roundtables

EXHIBITIONS

1399 Booths

& **10** Global Pavilions

by **700+** Companies

from **23** Countries/Regions

WORKFORCE DEVELOPMENT

>500 Student Participation in the Workforce Development Programs across **3** Regions

Emerging Young Leader Award 2025

Friends of SEMI

“We had a fantastic time at SEMICON SEA at our MFSG booth and enjoyed the vibrant energy of CHIPFEST! The event delivered great networking opportunities, strong business leads, and insightful industry highlights. A heartfelt thanks to the SEMI team for putting together a stellar show, and to everyone who visited us!”

- Mr. Stanley Tan, Sales Director, MFSG

“We are thrilled to welcome SEMICON Southeast Asia back to Singapore this year for its special 30th anniversary edition. Micron is honored to be a long-standing partner with SEMI in hosting this prestigious event, which played a crucial role in fostering stronger collaboration within the regional ecosystem. At this year’s event, we were excited to host esteemed guests from the government, our ecosystem partners, and emerging young talent at our booth. Together, we showcased a vibrant and thriving semiconductor industry, highlighting the innovation and growth that drives our AI-powered future.”

- Mr. Joshua Lee, Corporate Vice President, Singapore Country Manager, Micron Technology

“Congratulations on the successful SEMICON SEA 2025 event! It was a well-organized and insightful gathering. SSMC’s management and our teams had a truly enriching experience participating in the conference and forum. To share our excitement and active involvement, we posted over 10 updates on SSMC’s social media channels last week, tagging #SEMICONSEA to highlight our presence.”

- Ms. Ida Ho, Marcom, CorpComms Manager, SSMC

“SEMICON Southeast Asia continues to be a valuable platform for engaging with partners across the regional and global semiconductor ecosystem. It provided the opportunity to reaffirm key relationships, showcase our advanced packaging and test capabilities, and contribute to ongoing dialogue around innovation and future development.”

- Ms. Megan Tsai, Senior Marcom Specialist, STATS ChipPAC

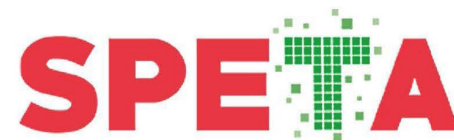

“The 30th anniversary edition of SEMICON SEA was truly energizing and impactful. With well curated programs covering various semiconductor leaders participating in the convention booth showcase, thought provoking forums truly made the event a memorable one for me. The networking opportunity was priceless as I made several valuable connections. Kudos to the entire SEMI team for yet another successful show. Looking forward to SEMICON SEA 2026!”

- Mr. Joseph Fernandez, Sr Director, Operations (Chief of Staff), Sandisk

“SEMICON Southeast Asia was a great platform to reconnect with global customers and meet new prospects. With the show returning to Singapore after nearly 10 years, the strong industry turnout was impressive. We strengthened ties with distributors and showcased our solutions to end users. Despite some venue limitations, the event was well-organized and professionally run. Kudos to the team for handling our equipment with care.”

- Mr. Naofumi (Nao) Tanaka, Managing Director, Yamaha Robotics Solutions Asia
